- 🔗 Delivered in Partnership with Perth UHI, Part of the University of the Highlands and Islands
- 🔗 Learn in our World Class Production Facilities
- 🔗 Taught by Experienced Industry Professionals

Student Services

Riverside Music College is committed to supporting students throughout their entire learning experience.

A wide variety of support services are available, starting from the first time you enquire about a course and continuing throughout your College life. In fact, many students come back to us for advice following the completion of their course.

Our amazing Student Services team can give you more advice and information on courses, on different ways you can attend classes, on levels of courses and on how you can move on to further study.

Our team can also provide information on all aspects of student finance – bursaries, grants, student loans, childcare, travel expenses, etc.

If you have any questions, or need advice on any aspect of studying at Riverside, please get in touch.
